Katerina Torp is 28 years old artist. She is a Vienna based dancer, choreographer, and sometimes administrator. As a dancer she has worked in various productions in Europe and Finland. The works include traditional ballet classics, contemporary dance works, theatrical operettas, galas, and concerts as well as music videos and art films. Besides dancing, Katerina works as a choreographer. She has created works for Finnish National Ballet, FNB Ballet School, and site-specific productions for technology and fashion brands.

At the moment Katerina's biggest interests lie in performing art that draws inspiration from various movement styles as well as other art forms. She feels comfortable both in theatrical and improvisation-based movement as well as in maintaining a perfect corps de ballet diagonal. She has been described as a charismatic performer and has acted in short films and physical theatre. She loves to perform and live out fantasies through dance while still executing strong and clean technique.
